CALL FOR PAPERS
MAY 03–04, 2027 · AGADIR, MOROCCO

ICISTA 2027

INTERNATIONAL CONFERENCE · HYBRID EDITION

ICISTA 2027

International Conference on Intelligent Systems, Technologies and Applications

HYBRID CONFERENCE · IN-PERSON + ONLINE

CONFERENCE DATES	LOCATION	VENUE
May 03–04, 2027	**Agadir, Morocco**	**Faculty of Medicine and Pharmacy**

Conference themes

Researchers, academics, and industry practitioners are invited to share original work and exchange ideas across intelligent systems, advanced computing, and emerging technologies.

01	Artificial Intelligence and Applications
02	Signal and Image Processing, Electronics, and Embedded Systems
03	Intelligent Systems, Robotics, and Control
04	Communication, Networks, and Security
05	Smart Systems and Sustainable Technologies

Important dates

Paper submission **January 15, 2027**	Acceptance notification **March 20, 2027**	Registration **April 10, 2027**
Camera-ready paper **April 15, 2027**	Abstract submission **April 20, 2027**	Conference **May 03–04, 2027**

Share your research at ICISTA 2027

Accepted and presented papers are intended for submission to IEEE Xplore, subject to IEEE approval.
